NEWS STORY

FAN MAIL PIN-UP by NANCY ESTES, BOX 308, OVIDO, FLA.

Dear Katy,
Our Katy Keene Fan Club, here in Erding, Germany is very small. We hardly ever get to meet. However, the little room that we have for a club house is very good for it's purpose. We have two pin-up boards full of your fashions.
Since we live in Germany, it take's longer for our mail and fashions to reach you. We are not able to send long letter's all the time. Whenever we meet, we write a letter. We like your pin-up fashions very much.

Sincerely, yours,

Vision M. Smith
(President)

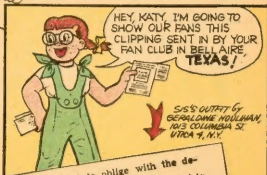

Joy E. Lovell
(Secretary)

Ten Little Misses Become "Club Women" for The Summer

SUMMER FUN CLUB
 Once a week these young ladies get together, make things, enjoy refreshments and in general have fun. They are, left to right, Christine Crosthwait, 5106 Mimosa; Cathy and Barbara Farley, 5505 Valerie; Christine Ponsot, 5206 Mimosa; Judy Daniel, Ann Beewar, Nan Bigelow, 543 Chelsea; Trudy Stephenson, 4810 Laurel. Members not shown are Suzan Dubas, 5413 Brae Burn; Sherry Davis, 4632 Willow.

When I heard that the Katy Keene Fan Club was planning to make octopuses at its next meeting I decided I'd better investi-

Two cute ten-year-olds, Ann Beewar, 5418 Valerie, and Judy Daniel, 5416 Valerie, were only

to glad to oblige with the details.

Seems that the two decided to organize a summer club, wrote to the Katy Keene organization in California for information on how to do so—and organized.

There are now ten members of the club and they meet every Wednesday at Ann's home (she's president and Judy is vice-president).

And they will, indeed, make octopuses at the next meeting—but they'll be quite harmless octopuses made of styrofoam and yarn and sequins.

Projects already undertaken include filling scrap books with pictures of animals and jokes and taking them to Texas Childrens Hospital.

Future plans call for making a recipe book to be sold to grown-up neighbors and friends.

I was on a Safari with my friend Sheikh Attlay Elliday... knowing the Sheikh was very fond of Gum drops I brought a good supply for him.

Somelkon I got separated from the Party... The Sheikh had all the guns, ammunition and food! All I had was a bag of Gum-drops!!!

I sat down under a tree to rest and save my strength! Not knowing how long I would be with out food I ate one Gum drop.

GEE! I WISH I WAS THERE!
IMAGINE A SAFARI WITH LOADS
OF GUM-DROPS! YUMMEE!
